

Warranty Policy – Hansgrohe India

I. General Provisions

Hansgrohe India offers this Manufacturer's Warranty to customers of Hansgrohe products. It is applicable notwithstanding any imperative liability provisions of the applicable law.

A "customer" in the sense of this Manufacturer's Warranty is any person who is the first owner/user of the Hansgrohe's product for a consideration which has been paid and which it/he/she did not purchase the product with the intention of resale or for any commercial purpose. The warranty is confined to customers who are the first to buy the product from Hansgrohe India, a dealer or any other natural or legal person who sells or installs the product within the limits of its/his/ her business activity or independent occupation. By purchasing this product, customer agrees to Hansgrohe India's warranty on the product.

The foregoing warranty constitutes Hansgrohe India's sole warranty and no other warranty, express or implied, including warranties of fitness for a particular purpose and warranties of merchantability is given to the customer and there are no warranties which extend to use of the Hansgrohe's products for the purposes beyond description. Hansgrohe India neither assumes nor makes nor authorizes any person to make representation that the product is of any particular quality or standard or is suitable for any particular purpose, otherwise as stated.

This warranty is only effective if proof of purchase (original sales receipt) is provided with all warranty claims or requests. Further, in order to claim warranty, limited warranty certificate, duly filled, stamped and signed by the authorised dealer or authorised channel sales partners must be submitted along with product on which warranty claim is made to attending authorized service personnel. This original certificate must be preserved by the customer and produced whenever required.

II. Scope of warranty

Valid for Hansgrohe's products purchased by customers on or after 01 /01/2010 (purchase receipt / Invoice):

Hansgrohe India assures customers that its products are free from material, manufacturing and design faults. The latest science and technology at the time of manufacture is decisive in this regard. For claiming warranty, the defect giving rise to the damage must already have been present in the product at that time.

Depending upon the product category and residential/ non residential /commercial settings/projects, this Warranty shall be valid for all eligible Hansgrohe products for a period of five (5) years or three (3) years or two (2) years, as applicable, from the purchase date by the primary customer as provided in the Warranty Chart provided at the end of this Policy. In the event of repair/replacement of any part/s of the unit of the product, this warranty will thereafter, continue and remain in force only for unexpired period of warranty. Moreover, the time taken for repair/replacement of the product in transit, whether under the warranty or otherwise, shall not be excluded from the warranty period. The warranty period shall not be extended due to the provision of services within the scope of this Warranty, especially not in the event of servicing or replacement or product is not installed or not used from date of purchase of product. In such cases, the Warranty period shall also not start anew.

Hansgrohe India shall make its best endeavor to provide onsite warranty services but due to unavoidable/ in exceptional circumstances the product may be required for offsite inspection at Hansgrohe India's service center/service center of Hansgrohe India's authorized service associate.

Hansgrohe India operates business through their authorized channel sales partners. Customers are strongly suggested to purchase Hansgrohe product through the authorized channel sales partner. Hansgrohe India is not bound to support under warranty for any product purchased through unauthorized seller / supplier / re-seller.

Hansgrohe India's service working hours are Monday to Saturday from 9:30 Hrs. to 18:00 Hrs, except all public & National holidays or force majeure conditions. Any service specifically requested after service working hours will be on chargeable basis subject to being agreed & approved by Hansgrohe India. Hansgrohe India reserves right of denial of such request on its sole discretion.

4. Customer should produce original product purchase invoice or receipt along with the warranty certificate, at the time of issue reported.

IV. Benefits of the Hansgrohe India's Manufacturer's Warranty

Hansgrohe India shall, at its sole discretion repair or replace the defective product.

Hansgrohe India will make every effort to carry out repairs at the earliest within a reasonable period of time. Notwithstanding anything provided earlier, it is expressly clear that Hansgrohe India is under no obligation to do so in a specified period of time.

During warranty period and under normal use, if the product / component / part is found to be of faulty due to manufacturing defect, the same will be repaired or replaced upon production of relevant documents as provided herein earlier, at the sole discretion of Hansgrohe India's trained official. Hansgrohe India or its authorized customer care agents / authorized dealer agents certified will repair or replace with new or functionally operative parts free of charge, any part or parts of the product when it is identified that the defect to a duly covered product, is solely attributable to manufacturing fault and not caused due to improper installation, unauthorized repair / service or usage and other exclusions provided in this policy below. Spares and/or labor costs shall be charged according to the conditions of the warranty coverage listed. The customer must grant access to the product. In the event of non-availability of components or parts due to any reason whatsoever Hansgrohe India or its authorized customer care agents / authorized dealer agents will not be responsible or liable for any delay that may be caused to service/repair of the products and no claims financial or otherwise will be entertained.

It is entirely left to Hansgrohe India's discretion to effect repairs/replacements of parts or components of the sealed system at the site of installation or at the service stations of its branches or authorized customer care agents / authorized dealer agents or at its works.

Hansgrohe India and its authorized customer care agents / authorized dealer agents reserves the right to retain any part/s or component/s replaced at its discretion in the event of a defect noticed in the product during the warranty period. In case of replacement of product, the defective product shall be replaced free of charge by a new product of the similar kind and quality. If the product in question is no longer manufactured at the time of the notification of the defect, Hansgrohe India shall deliver a similar model of product.

If the product is installed beyond the municipal limits of Hansgrohe India's authorized customer care agents / authorized dealer agents or reseller / channel sales partner's locations, any and all costs and expenses incurred for repair/service of the products in respect of (a) to and from travel of service personnel and (b) transportation of the product and/or spare parts and/or components from the location of Hansgrohe India's branch office or authorized customer care agents / authorized dealer agents or reseller / channel sales partner, to customer's location and back shall be borne wholly and solely by the customer at the prevailing rates, and Hansgrohe India shall not be liable for any damage caused to the product in transit or delivery for repair. The transport or shipment to and from Hansgrohe India or to and from the dealer, respectively, any removal and any reinstallation of the product, or any other particular measure may only be performed upon prior written consent by Hansgrohe India. The customer shall be obliged to pick up the product himself/ herself at the nearest Hansgrohe dealer/ authorized dealer agents unless anything to the contrary is agreed upon. Hansgrohe India and customer agree that Hansgrohe India shall have no liability for any cargo loss, loss of use or any incidental or consequential damages.

In exceptional circumstances, if Hansgrohe India, at its discretion, decides to refund the purchase price and confirms this in writing, the customer shall return the defective product and Hansgrohe India shall reimburse the purchase price mentioned in the invoice of the defective product.

This warranty does not include payment of or responsibility for any excise duty, central taxes, state taxes and octroi or other local taxes assessed to the parts supplied, replacement unit or repaired during the warranty period.

Customer and Hansgrohe India agree that customer's sole remedy for any defects in goods hereunder shall be limited to the repair or replacement at Hansgrohe India's option within warranty period after delivery of such goods to the first purchaser, of any defective goods, of which notice of defects is given by the customer to Hansgrohe India in accordance with terms of this warranty certificate.

Hansgrohe India's liability will be limited and restricted to the product replacement/value of the product sold. Hansgrohe India under all circumstances shall not be liable to uninstall the defective product or installed replacement product. In case replacement is the only option then the customer has to hand over the defective product to the dealer / re-seller/supplier from whom it was purchased and take the replacement product.

V. Conditions and Exclusions
