Imagine a Bathroom like Never Before

Bringing the experience to a new level of excitement

hansgrohe is bringing the bathroom experience to a completely new level of excitement by creating holistic bathroom experiences as seamless, interactive environments that adapt to your style, dreams, and needs. Every bathroom is as unique as the personality it's made for. Combining design and comfort with endless possibilities of personalization, everything still fitting together perfectly, matching your everyday life. Always creating incomparable water experiences that make you truly feel alive. We want you to discover the joy and pleasure of humanity, the beauty of water, and the value of individual spaces like never before.

When you imagine your dream bathroom, what does it look like?

Or, even more important, what does it feel like? With our latest creations, hansgrohe encourages you to find an answer.

Your answer.

XUNIVA

WATER in its most beautiful forms

With Xuniva washbasins, you can design your bathroom harmoniously and according to your individual ideas. Thanks to the large selection of different shapes and variants, you are sure to find the right Xuniva washbasin for your dream bathroom. The Xuniva product range comprises four different basic washbasin shapes in three

different installation variants. In addition, for most models you have the option of choosing a washbasin with or without a tap hole bench, giving you flexibility in your choice of faucet. All models are made of high-quality, durable sanitary ceramics, are dirt-repellent thanks to the optional SmartClean glaze, and elegantly designed.

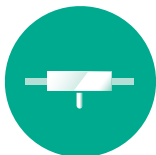

The **iconic geometric shape** and the **reduced edges** add elegance to your bathroom.

Remarkable down to the details

- 1 **Ample space** for more comfort
- 2 Slim washbasin edge
- 3 Dirt-resistant, robust **Sanitary ceramics**, optionally with SmartClean glaze for reduced cleaning effort
- 4 Available with and without **faucet hole bench** (depending on model)

SmartClean™ glaze

The satin-like surface is white and delicate. The protective layer is smooth and easy to clean, white and transparent, long-lasting as new.

HygieneEffect™ materials

Effective anti-bacterial features are added (bacteriostasis rate is 99.99%) to protect your family against bacteria.

According to the JC/T 897-2014 antibacterial property of anti-bacterial ceramics, *Escherichia coli* and *staphylococcus aureus* can be effectively inhibited.

Slim and simple

(Optional)
Integrated shelf design separates dry and wet areas, making it practical.

The pure white cover, seamlessly integrated with the ceramics, is bright and well-designed.

Thin rim creates a sleek outline and convey simplicity
