

AXOR

DESIGNED BY BARBER OSGERBY

AXOR One | AXOR Universal Circular

NEW SURFACE IN MATT WHITE

The minimalist, elemental shapes of the highly successful AXOR One collection redefine familiar archetypes and bring timeless design into the bathroom. Our new Matt White color underlines this effect and expands the range of AXOR One's custom surface finishes. The AXOR FinishPlus Matt White surface expands upon one of the most important color trends in design and interior architecture. Whether as a contribution to minimalist bathroom design or as an architectural highlight: Depending on the environment, AXOR One in Matt White, also complemented by the AXOR Universal Circular Accessories in matching colors, can either blend in subtly or stand out.

THE NEW COLOR CODE
The finishing touch to AXOR One

The AXOR One collection, designed by Barber Osgerby, exemplifies a dedication to the essence of simplicity and reinterprets archetypal forms through radical innovation. Characterized by slim silhouettes, flat surfaces, soft edges and balanced proportions, combining AXOR One with the color Matt White was the logical next step for AXOR to highlight its minimalist and functional design.

Showers, faucets and thermostats from the AXOR One collection can be perfectly complemented with AXOR Universal Circular Accessories in Matt White. This makes it possible to unify the entire bathroom furnishings in a consistent design language and color scheme.

The AXOR FinishPlus Matt White surface emphasizes the streamlined, elegant aesthetic of AXOR One's washbasin faucets.
