MetropolTM

Meet the beauty of water.

Welcome a new personality into your bathroom – **Metropol.**

Clarity is redefined with the new Metropol line by hansgrohe®. With its geometric lines, it puts on a memorable charismatic performance in any modern bathroom.

Offering elegance, delicacy or minimalism, Metropol faucets with three aesthetic handle options provide the perfect freedom for your personal style.

The linearity of the **Lever** handle elegantly continues the simple design.

The **Loop** handle radiates lightness, while its shape simplifies its use.

The **Select** handle combines minimalist design with intuitive handling.
