Price Book 2025 Europe

Bring dream bathrooms to life with hansgrohe

- Offer your customers perfectly coordinated, interactive bathroom solutions that can be adapted to their style and needs.
- Work out the perfect tap and wash basin combination with hansgrohe ExcellentFit. Our experts at the Technical Service Centre have tested lots of potential combinations for their functionality and published their recommendations at hansgrohe.com/excellentfit
- One supplier, multiple products: From consultations to product presentations right through to marketing, logistics, and installation, we want to make your daily work life easier with holistic, coordinated product solutions.

Holistic product solutions from one supplier

For unforgettable moments with water, we no longer want to think in terms of individual product solutions. We want to create holistic, sustainable solutions. In addition to inspiring ideas, these elements include taps, showers, and accessories and now also furniture, ceramics, and mirrors. This concept enables us to create a perfectly coordinated, interactive environment to suit your customers' personal taste.

Technologies

SmartClean

This special glaze protects the products from unsightly stains. For more hygiene and less cleaning effort in the bathroom. Because cleanliness is a basic requirement for long-lasting pleasure with water.

Installation

Made to fit NoiseReduction

This product comes with a pre-cut soundproofing mat that is tailored to its geometry. This facilitates installation and saves valuable time on the construction site.

Technologies

AntiFingerprint

A high-quality and clever surface technology ensures significantly less fingerprints. So you can get through morning and evening routines in the bathroom without any worries.

MoistureProof

This high-quality product has been made from materials that are suitable for bathrooms. By following the hansgrohe care instructions, long-lasting pleasure is guaranteed.

PushOpen

A tap is all it takes and the doors or drawers swing open for an easy grasp and convenient opening. This mechanical opening is specially made for handleless furniture.

SmartStorage

The clever interior divider system for the drawers provides individual storage space. The space in the upper drawer can be used completely and flexibly without a cut-out for the siphon. For more free space in daily WashPlace routines.

SmoothSurface

The high-quality surface of this furniture feels velvety soft and at the same time creates an extra-matt look in every respect.

SoftClose

Drawers and doors are closing gently and silently. This is ensured by dampers which are integrated into the slides and hinges. For a comfortable handling of the furniture.

IntraStoris Basis box set 100/345

Features

- consists of: basis Box, box small, box big
 - material: plastic
- basis box with hook for fastening to the drawer back panel
 - boxes can be removed from the drawer
- suitable for: Xelu vanity units and vanity units for consoles, Xevolos vanity units and vanity units for consoles

Finish	Code no.	Euro
● Matt Black	54224670	35.50

IntraStoris Box small basis set 90/90

Features

- consists of: box small
 - material: plastic
 - box can be removed from the drawer
- suitable for: Xelu vanity units and vanity units for consoles, Xelu tall cabinet, Xelu mid-height cabinet, Xevolos vanity units and vanity units for consoles, Xevolos tall cabinet, Xevolos mid-height cabinet

Finish	Code no.	Euro
● Matt Black	54225670	15.50

IntraStoris Box big basis set 90/220

Features

- material: plastic
 - box can be removed from the drawer
- suitable for: Xelu vanity units and vanity units for consoles, Xelu tall cabinet, Xelu mid-height cabinet, Xevolos vanity units and vanity units for consoles, Xevolos tall cabinet, Xevolos mid-height cabinet

Finish	Code no.	Euro
● Matt Black	54226670	19.10

IntraStoris Drawer interior module 115/340

Features

- consists of: small parts compartment
 - material: solid wood
 - surface material: lacquer matt
- easy to insert in drawers or crosswise in tall cabinets
 - anti-slip rubber buffers on the underside for a secure grip
- suitable for: Xelu tall cabinet, Xelu mid-height cabinet, Xelu vanity units and vanity units for consoles

Finish	Code no.	Euro
Natural Oak	54146230	84.50

IntraStoris Drawer interior module 130/340

Features

- consists of: wave profile module
 - material: solid wood
 - surface material: lacquer matt
- easy to insert in drawers or crosswise in tall cabinets
 - anti-slip rubber buffers on the underside for a secure grip
- suitable for: Xelu tall cabinet, Xelu mid-height cabinet, Xelu vanity units and vanity units for consoles

Finish	Code no.	Euro
Natural Oak	54147230	87.30

IntraStoris Drawer interior module 140/340

Features

- consists of: wave profile module with side upstand
 - material: solid wood
 - surface material: lacquer matt
- easy to insert in drawers or crosswise in tall cabinets
- suitable for: Xelu tall cabinet, Xelu mid-height cabinet, Xelu vanity units and vanity units for consoles

Finish	Code no.	Euro
Natural Oak	54148230	111.80

IntraStoris Drawer interior set 340 vanity unit 480/475 for 1 drawer

Features

- consists of: wave profile module with side upstand
- material: solid wood
- surface material: lacquer matt
- easy to insert in drawers
- for 1 drawer
- anti-slip rubber buffers on the underside for a secure grip
- suitable for: Xelu vanity units and vanity units for consoles

Finish	Code no.	Euro
 Natural Oak	54149230	111.80

IntraStoris Drawer interior set 340 vanity unit 580/475 and 1360/550

Features

- consists of: small parts compartment, wave profile module with side upstand
- material: solid wood
- surface material: lacquer matt
- easy to insert in drawers
- for 1 drawer
- anti-slip rubber buffers on the underside for a secure grip
- suitable for: Xelu vanity units and vanity units for consoles

Finish	Code no.	Euro
 Natural Oak	54150230	185.50

IntraStoris Drawer interior set 340 vanity unit 780/475, 780/550 und 1560/550

Features

- consists of: wave profile module with side upstand, wave profile module, small parts compartment
- material: solid wood
- surface material: lacquer matt
- easy to insert in drawers
- for 1 drawer
- anti-slip rubber buffers on the underside for a secure grip
- suitable for: Xelu vanity units and vanity units for consoles

Finish	Code no.	Euro
 Natural Oak	54151230	256.40

IntraStoris Drawer interior set 340 vanity unit 980/475 and 980/550

Features

- consists of: wave profile module with side upstand, wave profile module, 2 small parts compartments
 - material: solid wood
 - surface material: lacquer matt
- easy to insert in drawers
 - for 1 drawer
 - anti-slip rubber buffers on the underside for a secure grip
- suitable for: Xelu vanity units and vanity units for consoles

Finish	Code no.	Euro
Natural Oak	54152230	326.30

IntraStoris Drawer interior set 340 vanity unit 1180/475 and 1180/550

Features

- consists of: 2 wave profile modules with side upstand, 2 small parts compartments
 - material: solid wood
 - surface material: lacquer matt
- easy to insert in drawers
 - for 1 drawer
 - anti-slip rubber buffers on the underside for a secure grip
- suitable for: Xelu vanity units and vanity units for consoles

Finish	Code no.	Euro
Natural Oak	54153230	350.90

Xelu Q Furniture feet 175/60, 2 pieces

Features

- material: aluminium
 - screw fastening
 - height: 174 mm
- with mounting material
 - concealed fastening
 - with height compensation
- Xelu vanity units and vanity units for consoles

Finish	Code no.	Euro
Chrome	54145000	149.30
Matt Black	54145670	120.90
Matt White	54145700	120.90

Xelu Q Shelf 140/430**Features**

- screw fastening
- material frame: zinc die casting
- material shelf: safety glass
- length: 430 mm
- with mounting material
- concealed fastening
- suitable for Xelu vanity units and vanity units for consoles

Finish	Code no.	Euro

Matt White	54143700	82.60

Space saving siphon for wash basins 50 mm**Features**

- main material: plastic
- vertically adjustable
- tool-free cleaning
- odour trap - backwater height is 50 mm
- connection dimension entry: G 1 1/4
- connection dimension outlet: DN32
- angle valve not included
- transition piece to DN40

	Code no.	Euro
	54235000	50.00

Extension drain valve, 30 mm, 1 1/4 inch

Features

- length 30 mm
- material: brass
- connection dimension: G 1 1/4
- gasket included

Code no.	Euro
56840000	17.00

Technologies

MoistureProof

Dette høj kvalitetsprodukt er fremstillet af materialer, der er velegnede til badeværelser. Ved at følge hansgrohes anvisninger til vedligeholdelse er man garanteret behagelig brug med lang levetid.

AntiFog

When the integrated defog system is switched on before showering or bathing, the mirror is effectively prevented from fogging up. If the mirror is already fogged up, a clear view is quickly secured after activating the heating.

SmartTouch

Just like a touchscreen, a light touch on the icons in the mirror surface is enough to switch various functions of the mirror on and off. Effortless, smart and intuitive: this is how the bathroom works today.

TouchlessSensor

This lighting is controlled via infrared sensors. A hand movement below the mirror frame is enough to activate the sensors. The mirror does not even have to be touched at all.

Finish

Matt Black

-670

Matt White

-700

Xarita E Mirrors with capacitive touch sensor

Features of all variants

- material: mirror glass
- material frame: aluminium
- surface material: powder coating
- MoistureProof: durable material
- SmartTouch: light control via capacitive sensor, sensor switch in the mirror surface
- light source: LED, exchangeable
- direct LED light with 5 different color temperatures gradations
- indirect RGB LED light: choice of 7 color tones and 1 white tone
- colour temperature: 2700 - 6500 K
- LED lifetime: > 50.000 hours
- direct LED light: energy efficiency class C, indirect RGB LED light: energy efficiency class G
- stepless dimmable
- AntiFog: with mirror heating
- Auto-off function: automatic shutdown for all functions
- with memory function: dimming, color temperature and RGB LED settings
- input voltage: 220 - 240 V AC / 50/60 Hz
- output voltage: 24 V DC
- degree of protection: IP44
- with mounting material
- concealed fastening
- wall-mounted

Xarita Lite Q Mirrors with horizontal LED lights for wall switch

Features of all variants

- material: mirror glass
 - material frame: aluminium
 - surface material: powder coating
 - MoistureProof: durable material
 - control via wall switch provided on site
 - light source: LED, exchangeable
- direct horizontal LED light
 - colour temperature: 4000 K
 - LED lifetime: > 36.000 hours
 - direct LED light: energy efficiency class C
 - input voltage: 220 - 240 V AC / 50/60 Hz
 - output voltage: 24 V DC
- degree of protection: IP44
 - with mounting material
 - concealed fastening
 - wall-mounted

Sustainability

EcoSmart

This toilet can achieve excellent flushing results with only 4.5 l of water per flush (suitable flushing tank required). A short flush via the small button of the flushing plate can even manage with just 3 l. Good for the environment and the wallet.

Technologies

AquaChannel Flush

Effective cleaning of the inner bowl by means of powerfully guided water jets. The flushing process is particularly efficient and can achieve excellent cleaning results with only 4.5 l per flush (suitable flushing tank required).

AquaFall Flush

Powerful cleaning of the inner bowl of the rimless toilet via a symmetrical surge of water. The flushing process is particularly efficient and can achieve excellent flushing results with only 4.5 l per flush (suitable flushing tank required).

AquaHelix Flush

This sophisticated water vortex technology cleans the inner bowl of the toilet powerfully yet quietly. The flushing process is particularly efficient and can achieve excellent flushing results with as little as 4.5 l of water (suitable flushing tank required).

Technologies

HygieneEffect

Glaze that prevents bacteria from multiplying on the product (exclusively *Escherichia coli* ATCC 8739 and *Salmonella enterica* ATCC 13076, Test ISO 22196: 2011-08).

QuickRelease

WC cleaning as it should be: quick and easy. Thanks to the QuickRelease hinge system, the toilet seat can be removed in the blink of an eye. This minimizes cleaning effort and maximizes hygiene.

SmartClean

This special glaze protects the products from unsightly stains. For more hygiene and less cleaning effort in the bathroom. Because cleanliness is a basic requirement for long-lasting pleasure with water.

SoftClose

The seat and cover of this toilet close gently and silently. This is ensured by special dampers integrated into its hinges. For more comfort, safety and long-lasting pleasure in the bathroom.

Installation

Made to fit NoiseReduction

This product comes with a pre-cut soundproofing mat that is tailored to its geometry. This facilitates installation and saves valuable time on the construction site.

EluPura S Wall hung WC Sets AquaHelix Flush

Features of all variants

- consists of: WC, WC seat and cover
 - material WC: ceramic
 - material seat and cover: urea
 - material hinges: stainless steel
 - Made to fit NoiseReduction: customized soundproofing mat included
 - degree of gloss ceramic: glossy
 - with concealed siphon
 - Rimless
- AquaHelix Flush: water vortex technology for optimal flushing
 - flushing water quantity: 4.5 l, 5 l, 6 l
 - EcoSmart: water-saving toilet (suitable flushing tank required)
 - flushing type: wash-down
 - installation type: wall-mounted
 - concealed fixation for the WC
 - water connection: back
- centre-distance wall mounting: 180 mm
 - centre-distance toilet seat fastener: 160 mm
 - SoftClose: WC seat and cover with soft-close mechanism
 - QuickRelease: quickly removable toilet seat
 - EU taxonomy: max. 6 l/f - Do No Significant Harm (DNSH)
