Dance with Water

Savor the Joy of Every Shower

Every moment with water is a delight – ready to awaken your senses! ShowerTablet Select 360 combines sleek design with effortless functionality, captivating at first glance. With a simple touch, switch between shower modes for a seamless, personalized experience. The spacious shelf keeps essentials within reach, so you can immerse yourself hands-free in relaxation. Gentle, rain-like droplets envelop your body, delivering pure, invigorating pleasure. From head to toe, every inch of you will fall in love with this sensation.

ShowerTablet Select 360

Exposed Thermostatic Shower System

Pure Form, Minimalist Design

A shower that delights the eyes and soothes the soul. The minimalist, streamlined design creates a sense of spaciousness, turning simplicity into a canvas for inspiration. Every glance promises a moment of tranquility.

Seamless Control, Effortless Comfort

Select with Ease

Switch water modes and control the flow with a simple touch – making every adjustment smooth, intuitive, and fun.

SafetyStop Temperature Control

The 40°C safety lock prevents overheating, ensuring a secure and relaxing shower every time.

Generous Shelf Space

Keep your essentials close at hand with the spacious, integrated shelf – letting you enjoy every moment, worry-free.

Unmatched Shower Pleasure

Consistent Comfort

The integrated thermostat maintains a constant water temperature, reacting instantly changes for a reliable and enjoyable experience.

Hidden Spout Design

The discreet bathtub spout is tucked neatly beneath the thermostatic mixer, enhancing safety while maintaining a clean, elegant look.

Enhanced Shower Experience

XXL Performance

Full-body coverage with an oversized spray, enveloping in luxurious droplets.

QuickClean Technology

Flexible silicone nozzles make removing limescale and impurities effortless – keeping your shower fresh and pristine.

Adjustable Overhead Shower

Customize your comfort with a pivoting overhead shower, allowing you to find the perfect angle.

One-Handed Glide

Effortlessly adjust the hand shower's height with a single touch, ensuring smooth and precise positioning every time.
