RELAX, WE'VE GOT YOU COVERED

Quality and reliability come as standard

With a long-standing reputation for technically advanced, precision German engineering, every hansgrohe product is produced to exacting standards to provide the reassurance of long life you and your customers seek.

We make it easy for you to install

Our comprehensive range gives you every opportunity to take advantage of top quality products with a deliberate emphasis on ease of installation – ensuring you can fit and forget.

Great product design to inspire your customers

With hansgrohe great design and functionality go hand in hand. Our products are meticulously designed and manufactured to make bathrooms more attractive, more comfortable and more exhilarating.

After sales and service

For technical enquiries, our experts will be happy to assist you with their extensive knowledge of the entire hansgrohe product range. Service and replacement parts are delivered in the fastest possible manner.

Trade Helpline

New products

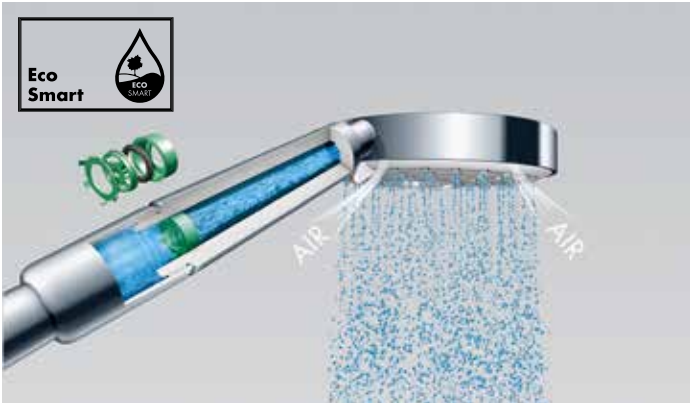

WE DON'T JUST KEEP UP WITH TECHNOLOGY WE PIONEER IT.

From the big picture to the smallest detail, our innovative solutions are created to enhance the beauty of water, and every aspect of your experience. Use the Technology icons as a guide to help you select the right mix of options for your bathroom.

Intuitive water control at the touch of a button.

Great performance, save up to 60% water.

A soft relaxing water experience.

Prevents the thermostatic mixer from getting too hot, preventing painful scalding.

Distributes the water evenly over a large shower disc, so your whole body is completely enveloped in enriching drops of water.

Defines the area between the wash basin and mixer spout. This shows the product is available in various heights - to suit different wash basins and requirements.

Remove limescale deposits simply by rubbing the flexible silicone jets.

Quality performance on a minimum of 0.2 bar pressure.

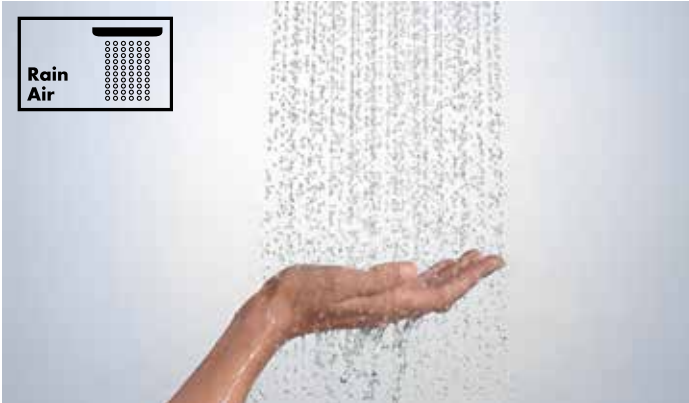

Products meet regulation 4, part 2 of the Water Supply Regulations.

Suitable for use with combination boilers, subject to the manufacturers performance specifications.

Perfect for rinsing shampoo out of your hair.

Gentle shower rain with air-enriched drops.

An intensive water spray that activates and refreshes.

Strong, pulsating massage spray.

EXPOSED SHOWERS

Thermostatic, for precision control for outstanding comfort and safety
Inside every valve is a hansgrohe thermostat, meaning you can preset your desired water temperature and it will maintain throughout your shower.
