# hansgrohe Vernis

Bring your project to the next level

# Why Hansgrohe

## INNOVATION

Pioneering since 1901. The courage to innovate marked the beginning of the company's history. As a leading company in the sanitary industry, we are constantly developing and delivering ground-breaking innovations.

## DESIGN

Award-winning DNA that inspires. With our AXOR and hansgrohe brands, we work with renowned designers to focus on providing the optimum customer value. Won more than 600 design awards since 1974.

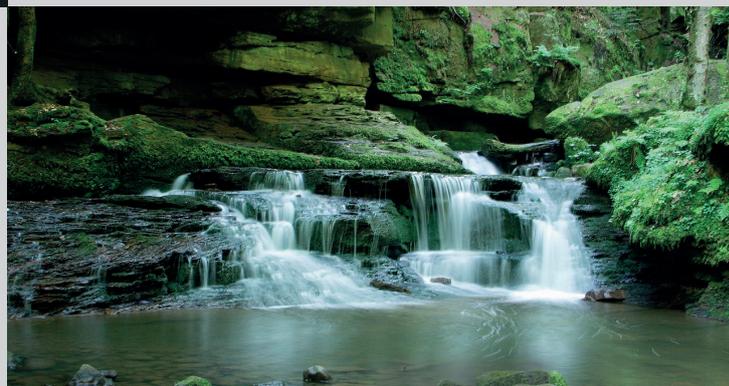

## QUALITY

Every manufacturing facility works to the highest standards through quality management and the use of excellent materials. Our products are put through stringent test cycles, stress and field tests.

## RESPONSIBILITY

At Hansgrohe, we focus on sustainability and environmental protection. This is reflected in our water and energy-saving products, as well as in the eco-friendly production technologies and the sustainable handling of water as one of our planet's most valuable resources.

## SERVICE

Every service rendered is personal, reliable and consistent. Great service is expressed through a desire to delight by going the extra mile and putting customers first.

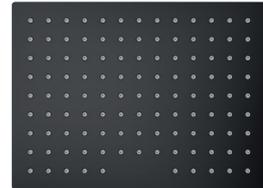

We give peace of mind with assurance of quality, training, technical and logistics support.

# Vernis Advantages & Benefits

## QUALITY

Trusted German brand since 1901 that produces durable products with quality you can count on.

## DESIGN

Two universal designs - round and square. Suitable for every bathroom ambience and taste.

## ASSORTMENT

Mixer and shower assortment for both Vernis Blend and Vernis Shape complement each other perfectly. Available in chrome and matt black.

## DESIGNER

Vernis Blend and Vernis Shape are designed by world-renowned designer firm, PHOENIX Design.

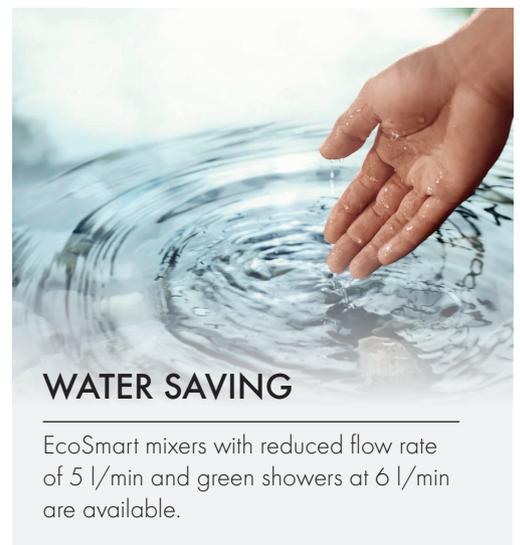

## VALUE FOR MONEY

Offering great value at a very attractive price point.

## PROJECT PACKAGING

Both Vernis Blend and Vernis Shape are available in cost efficient project packs. Cost advantages for both customer and hansgrohe.

## WATER SAVING

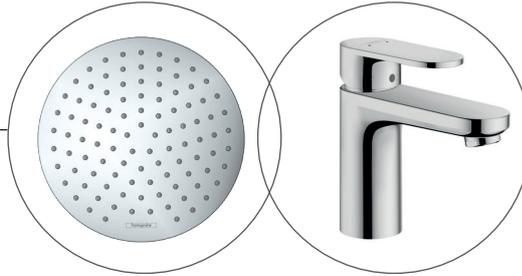

EcoSmart mixers with reduced flow rate of 5 l/min and green showers at 6 l/min are available.

# Design

The new hansgrohe Vernis assortment consists of 2 designs that fit every bathroom, every lifestyle and every taste. Vernis Blend has modern and elegant design while Vernis Shape comes in a geometric design for a reduced striking bathroom ambience.

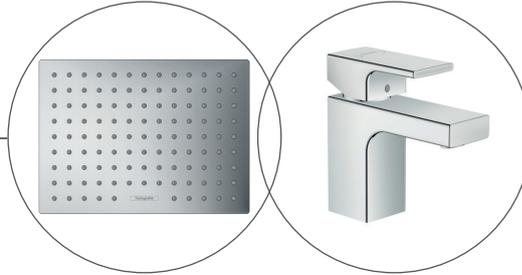

## Vernis Blend

Vernis Blend is a soft design that comes with rounded flowing forms.

## Vernis Shape

Vernis Shape is a sportive design with geometric forms that always stays in shape

### Vernis Mixer

Wide assortment for maximum design freedom

Harmonic design between handle & spout	Honeycomb aerator	Cartridges made by Hansgrohe
--	-------------------	------------------------------

Understated elegance

Precise edges

Internal water flow

Upright, slender & cylindrical body

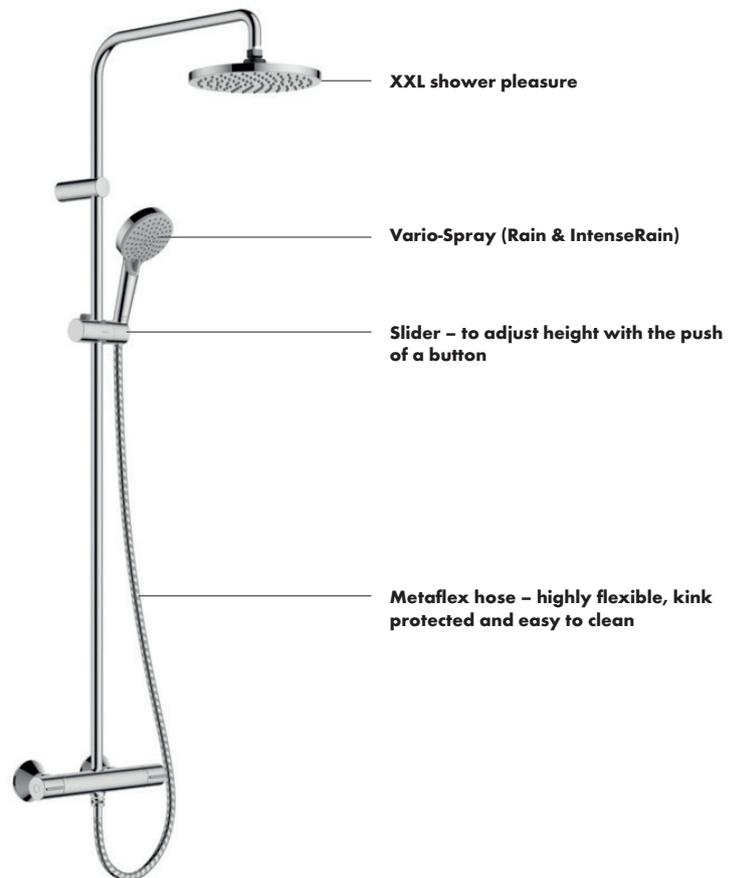

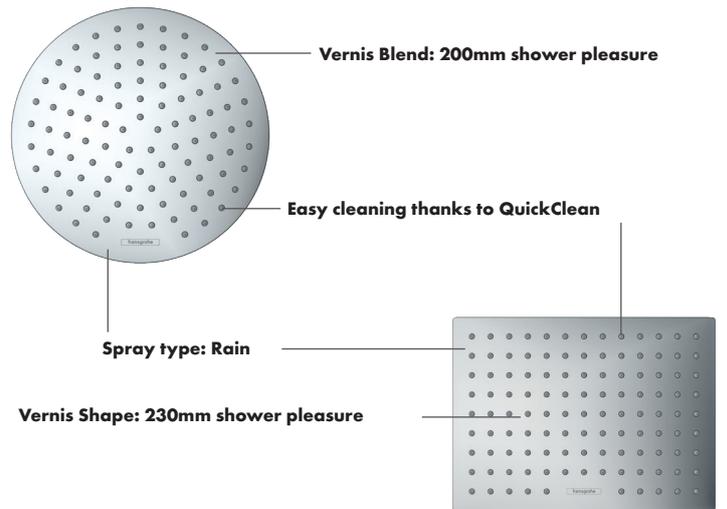

Expressive, geometrical body

## Vernis Shower

Full shower pleasure  
that fit every bathroom  
ambience

\* Shower products available in EcoSmart (9l/min) & Green (6l/min) versions.

## FinishPlus

A splash of colour to give the bathroom individual character.

The elegant simplicity of the matt black basin & shower products adds the final touch to any bathroom with modern furnishings.

Selected Vernis products come equipped with one of the most popular finishes, matt black.
