## **THE LOGIS UNIVERSAL ACCESSORIES RANGE FROM HANSGROHE**

### **will enhance your bathroom in every detail**

Are you looking for the perfect accessories that will add to your bathrooms charm and distinctive style? Look no further than Hansgrohe's Logis Universal Accessories. Hansgrohe has always been a step ahead, offering products that offer a better and more sustainable bathroom experience.

### **So much to choose from!**

The Logis Universal Accessories range offers high quality products that range from towel racks, toothbrush tumblers, liquid soap dispensers, towel rings, toilet brush holders and lots of other useful additions. Thanks to their modern, timeless design, these accessories provide the perfect finishing touches to your bathroom.

### **Attractive design with high quality material**

The Logis Universal Accessories are not only stylish, they are also made of high-quality material so that they can withstand frequent usage. The toilet brush holders have a metal bracket while they are made of ceramic or crystal glass. There is also a combination of materials in the soap dispensers and toothbrush tumblers. The towel racks can be fixed to the wall using a metal bracket, while the rails themselves are made from sturdy brass.

### **Affordable, updated look**

One of the amazing things about the Logis Universal Accessories range is that it can be installed in existing bathrooms, giving them an updated, modern look without you having to spend a lot of money. This range is also an ideal fixture for new bathrooms as the concealed attachment ensures beauty and functionality – in one easy step.

### **The best choice**

The Logis Universal range of accessories offers the ultimate bathroom experience – the faultless modern lines, the durable easy to clean chrome surfaces and the attractive prices all go a long way to ensuring that this range is the primary choice of the handyman, professionals and all home owners.

In addition, these practical aides make the bathroom look very neat and tidy.

### **About the Hansgrohe Group**

With its brands AXOR and hansgrohe, the Hansgrohe Group, based in Schiltach/Southern Germany, enjoys a reputation as a leader in quality, innovation and design within the bath and kitchen industry. The Hansgrohe Group brings form and function to water with taps, showerheads and shower systems. The 116-year history of the company is marked by innovations such as the first hand-held shower with multiple spray types, the first pull-out kitchen tap, and the first wall bar to hold a hand-held shower. The company holds more than 17,000 active propriety rights. The Hansgrohe Group stands for long-lasting quality products. With 34 subsidiaries and 21 sales offices supplying products in more than 140 countries, the company is a reliable partner to its customers around the world. The Hansgrohe Group, its brands and products have won numerous awards, including more than 500 design prizes since 1974. Sustainable production of resource-conserving products is central to the company's business activities around the globe. The products of the Hansgrohe Group are featured in projects around the world, such as the luxurious ocean liner Queen Mary 2, and the world's tallest building, the Burj Khalifa in Dubai. The Group's high-quality standards are ensured by five wholly-owned production facilities: two in Germany, one each in France, the United States and China. In 2016, the Hansgrohe Group generated a turnover of EUR 1.029 billion. It employs more than 4,800 people worldwide, about 60 percent of whom work in Germany.
