- 如果您需要废弃本产品, 请勿将其作为一般生活垃圾处理, 请依照法规经由独立的回收体系进行合适的处理、恢复和回收。

For your safety, please be sure to observe the following

Before using the product, please read the points for attention in use carefully to use it correctly.

In order to enable you to safely and correctly use the toilet cover plate and prevent it from injuring you or others and from property loss, this instructions manual gives various marks in detail and these marks and their meanings are given below. After reading carefully, please keep the instructions manual readily available to users.

 **Attention** Indicates that in case of mis-operation with this mark ignored, human injury or property loss may occur.

Legend:  This mark indicates "not allowed" (meaning "banned")

 Attention		<ul style="list-style-type: none"> Please neither stand on the toilet cover plate nor place a heavy object on it. (Wearing or cracking may occur.) 	
		<ul style="list-style-type: none"> Please don't clean it with toilet detergent, residence cleaning agent, volatilizing agent, diluent, and cleaning powder, as well as nylon brush, etc. It is suggested that it should be cleaned with a soft cloth and clear water, to avoid damage to the plastic. (Wearing or cracking may occur.) 	
		<ul style="list-style-type: none"> Don't allow children to play with the toilet cover plate to avoid such accidents as hand crushing injury. 	
		<ul style="list-style-type: none"> A child should use the product under the supervision of an adult. 	

Points for attention in use

Open and close the toilet seat and toilet cover with care
(Otherwise, breakage may occur.)

Please avoid direct radiation by such light sources as sunlight
(Otherwise, discoloration may occur.)

- When opening the toilet seat and toilet cover, be sure to fully open the toilet cover by hand. If not opened fully and released midway, the toilet cover will fall rapidly and a hand crushing injury, etc. may occur.

- When using a toilet seat sheath or a toilet cover sheath, please read the instructions for use in the corresponding packaging, as well. Please note that the toilet seat sheaths and toilet cover sheaths commercially available, in general, may be incompatible.

- If you need to discard this product, please don't dispose of it as general domestic garbage. Please allow it to be treated, recovered and recycled properly by an independent recovering system according to the corresponding regulations.

Instructions for cover plate maintenance

- Conduct maintenance regularly
 - Wipe lightly with a soft wet cloth.
 - When removing stains, scrub with neutral detergent (e.g., soap powder) and then wipe dry with a clean cloth
- Stain removing agent
 - It is not allowed to scrub the toilet cover plate with grinding powder.
 - Avoid using disinfectant, stain removing agent or other spray cleaning product.
 - Some chemicals and cosmetics used in bathroom may damage the toilet cover plate.

Product Warranty Card

Product Model No.		Customer Name	
Sales Unit		Purchase Date	
Invoice No.		Customer Telephone	
Dealer Seal		Dealer Telephone	

Thank you for purchasing our company's product! In order to ensure the product reputation and maintain your consumer rights, our company will provide you with free warranty service: three years of warranty service for the whole machine from the purchase date (based on the date on the purchase invoice) and two years of extended warranty after you successfully complete registration on the official service platform. If your product is used for commercial purposes, we will provide one year of warranty service for the whole machine. Please feel free to use it.

If a fault occurs under normal use according to the instructions manual and the points for attention in use within the warranty period, free repair will be provided. If you request for repairs for a fault within the warranty period, you can contact our company for free repairs or replacement (if no identical model is available, our company reserves the right to substitute with a similar model) based on the warranty card and original invoice.

If the warranty period has expired or your warranty card has been lost, our company will also provide repair service but will charge you for the cost.

This limited liability only applies to the Chinese Mainland (excluding Hong Kong, Macao and Taiwan).

The limited liability for products manufactured by our company applies to our company's products that you purchase and repair charges will be made for the following within the warranty period:

1. Damage caused by improper use, mis-operation or improper repairs and alteration.
2. Damage caused by movement of installation position.
3. Damage caused by fire, earthquake, flood, lightning, freezing or other natural disasters, public nuisances and gas disasters, as well as sulfuric acid, hydrochloric acid and abnormal voltage.
4. Damage occurring in uses other than general household or hotel purposes.
5. Use defect due to accumulated sandy soil and sludge and damage caused by such consumables as packaging.
